MEMORANDUM FOR: Comptroller, Office of the Comptroller

SUBJECT : White House Request for Funds

1. Attached is a memorandum from the Office of the Special Assistant for Science and Technology formalizing a request for transfer of \$10,000. During the last several months this matter has been discussed informally within the Agency as well as between this Office and the White House. We are actively participating in the particular project for which these funds are requested and are thoroughly familiar with all aspects of both the request and the project.
2. It is recommended that the transfer of funds be effected as requested. If necessary or desired, \$10,000 may be allocated from the OSA FY-1979 budget for this purpose. Any further questions or assistance in this matter may be referred to my Executive Officer, Mr. ██████████ extension 678.
